

PERSONAL INVITATION

Window to the Future: Laying the Foundations of the Hydrogen Economy

Tuesday, 18 February 2024 | 10:30 – 14:30
ABC Tower, Zeebrugge

Virya Energy, Messer Belgium
and Hyoffgreen warmly invite you to

WINDOW TO THE FUTURE

Join us for a landmark event celebrating the start of construction of the Hyoffwind renewable hydrogen production facility - a pioneering Belgian project that aligns national innovation with European clean energy ambitions. We are honored to welcome

MINISTER-PRESIDENT MATTHIAS DIEPENDAELE

Minister-president of the Government of Flanders, Flemish Minister for Economy, Innovation and Industry, Foreign Affairs, Digitalisation and Facility Management

who will deliver a keynote address.

Join the Belgian and European hydrogen community on February 18th to gain exclusive insights into hydrogen's role in transforming our energy landscape.

Don't miss this opportunity to connect with key industry leaders, policy makers and innovators shaping the future of the hydrogen economy.

Please, register here before February 3th.
