

BOBBI BROWN

CRUSHED OIL-INFUSED GLOSS

LIP-QUENCHING MOISTURE MEETS SUPER-SMOOTH SHINE.

Feel-good oils meet glossy shine in this lip-loving gloss. Your newest beauty obsession, Crushed Oil-Infused Gloss, is a luscious burst of color that goes beyond gloss as usual.

Available as from April 2020

An oil-infused formula gives this gloss a plush feel and super-smooth glide. The blend of nutrient-rich botanicals, including Coffee Seed and Kukui Nut Oils, drenches lips in conditioning moisture for soft, nourished lips. Plumping moisture is amplified with glass-like shine, while ultra-flattering colors—from nudes to brights—enhance the natural look of lips.

Never sticky or heavy. Crushed Oil-Infused Gloss is just pure, eye-catching color, conditioning moisture and a luscious, lightweight texture.
