Emily In Paris Experience At Fauchon L'Hotel Paris

The latest season of *Emily in Paris* once again struck a chord with so many American women who want to travel to Paris and experience life like Emily Cooper.

As spring is arriving, summer vacations are being planned, AND Jet Blue is adding service to Paris this summer from JFK, NOW is the time to tell your readers how they can have an *Emily in Paris* style experience. The gorgeous weather is also coming to make it perfect to sit outside at a café like Emily and Mindy to experience the #1 travel destination in the world. Here's how the [FAUCHON L'Hotel Paris](#) can help them get their Emily fantasy on:

1. **SEXY/MODERN ACCOMMODATIONS LIKE A PARISIAN PIED A TERRE:** The rooms are modern and cool with glass-enclosed wardrobes, full-length mirrors, and plenty of room for a Paris-worthy wardrobe and shoes as Emily and Mindy wear.
2. **PARIS' FIRST GOURMET HOTEL:** The Fauchon is Paris' first Gourmet Hotel — built by the FAUCHON food brand known for its incredible pastries and savory foods. Emily marveled at her first chocolate croissant and if you want to sample these iconic French foods including macarons, the hotel is the place to do it! In fact, macarons are complimentary in your room, upon check-in, and pretty much everywhere throughout the hotel including at the spa!
3. **A HOTEL DESIGNED FOR WOMEN:** The property has been designed to always be in tune with women which means it has sophisticated lighting perfect for makeup application and dressing, a Dyson hairdryer, bathrobes and slippers sized for women, and a variety of Beauty Rituals at the spa.
4. **HAVE A COCKTAIL OUTSIDE AND WATCH THE WORLD GO BY:** Travelers can enjoy cocktails on the terrace at the Grand Café Fauchon and watch the world go by as Emily and Mindy do quite often throughout the city. The Grand Café Fauchon has GLAM HOURS (their Happy Hour) complete with cool cocktails and slates with great charcuterie and other appetizers.
5. **ADVICE ON WHERE TO SHOP:** The hotel's Artisans of Pleasure can provide advice on where to shop in Paris to create your own stunning wardrobe and for those who so desire, they can even arrange a personal shopping experience in your room or suite at the hotel.
6. **EXCLUSIVE DISCOUNT ON AN EMILY IN PARIS TOUR:** Richard Nahem, an American living in Paris, offers a private *Emily in Paris* tour and he is providing Fauchon hotel guests with an exclusive discount on his tour. Details on the tour are [here](#).
