

A close-up portrait of a woman with dark skin and curly hair, looking down with a slight smile. She has shimmering blue eyeshadow and glossy pink lips. Her hand is raised near her face, showing manicured nails with a mix of black, red, and white. She is wearing a silver, sequined top. The background is dark with falling gold and silver confetti. The lighting is soft and festive.

HOLIDAYS!

There's magic in the air and it's the perfect time for having fun! This winter, Manucurist is recreating a magical retro Christmas with three new polish shades – Moon, Poison and Fuchsia – and our iconic Green Flash™ Gift Set adorned in this season's colors. Manucurist has set its time machine in motion. The result is a retro color palette featuring pigment-rich tones, pearlescent effects and glitter textures for the coolest festive look ever. Just in time for the holiday season. We hope your holiday season is merry and bright!

The set your hands have been dreaming of...

Green Flash™ Gift Set

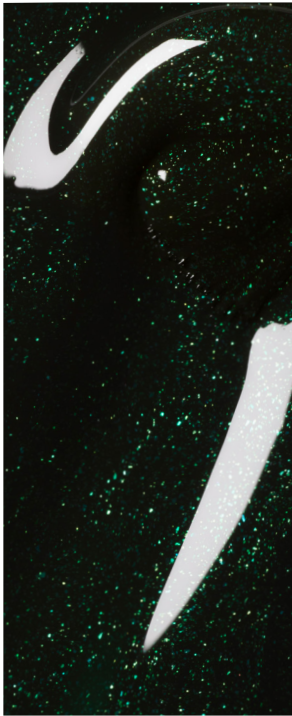

In striking red and gold, it makes the perfect gift for a loved one (or yourself). It comes with two polish shades of your choice to make your hands sing.
