

## iPhone X arrives at Orange on November 3, but is already available in pre-sale as from 9€ in combination with a postpaid subscription

Orange Belgium today announced it will offer iPhone X, the future of the smartphone, featuring a revolutionary new design with a stunning all-screen display. Customers will be able to pre-order iPhone X today in all Orange stores before it will be available in stores starting on November 3. Orange now offers Apple's latest products including the new generation iPhone 8 and iPhone 8 Plus. For complete pricing details, please visit [www.orange.be](http://www.orange.be).

### Orange customers can pre-order their iPhone X as from now

iPhone X features a gorgeous all-glass and stainless steel design with a beautiful 5.8-inch Super Retina display, A11 Bionic chip with neural engine for powerful machine learning, augmented reality and immersive 3D gaming experiences, wireless charging and Face ID, delivering an innovative and secure new way to unlock, authenticate and pay. The TrueDepth camera that enables Face ID brings Portrait mode with Portrait Lighting to the front camera for beautiful selfies with a depth-of-field effect and enables Animoji, which captures and analyzes over 50 different facial muscle movements to bring emoji to life in a fun new way. A redesigned rear camera with dual optical image stabilization includes a new color filter, deeper pixels, an improved Apple-designed image signal processor and features Portrait mode with Portrait Lighting allowing customers to capture stunning photos and videos. The all-glass front and back on iPhone X feature the most durable glass ever in a smartphone in two beautiful finishes, silver and space gray.

### About Orange Belgium

Orange Belgium is one of the leading telecommunication operators on the Belgian market, with over 3 million customers, and in Luxembourg through its subsidiary Orange Communications Luxembourg.

As a convergent actor, we provide mobile telecommunication services, internet and TV to private clients, as well as innovative mobile and fixed line services to businesses. Our high-performance mobile network supports 2G, 3G, 4G and 4G+ technology and is the subject of ongoing investments.

Orange Belgium is a subsidiary of the Orange Group, one of the leading European and African operators for mobile telephony and internet access, as well as one of the world leaders for telecommunication services to enterprises.

Orange Belgium is listed on the Brussels Stock Exchange (OBEL).
