

## The Longines Spirit adventure in 37 mm

L3.410.4.63.6

In a new 37 mm size, Longines is giving its Longines Spirit line all the attitude and elegance of a watch that is ready to follow you in all your adventures. The stainless steel case houses an exclusive, COSC-certified automatic movement (L888.4) with silicon balance-spring. A domed sapphire glass protects a sunray champagne dial set with Arabic numerals and polished, rhodium-plated hands coated with Super-LumiNova®. This model with a perfectly balanced design sports a stainless steel bracelet.
