

Top travel podcasts to satisfy your Bank Holiday wanderlust

Sennheiser's top tips for at-home audio entertainment this Easter Bank Holiday

London, 8 April - This Bank Holiday weekend we won't be getting stuck in motorway traffic or worrying about train services... Instead we'll be going global from our armchairs in the most cost-effective get-away Brits have ever been on.

Enjoy a virtual trip this Bank Holiday weekend with Sennheiser's round-up of top travel podcasts to take you on that journey. Get immersed in new countries and culture from the comfort (and safety) of your own home.

1. **Trail Less Travelled** - This podcast transports you to remote locations from Cuba to Australia (and everywhere in between).
2. **The Armchair Explorer** - Travel writer Aaron Millar covers everything on his documentary-style podcast from heli-skiing in Alaska with an Olympic Gold Medalist to walking on the International Space Station.
3. **Wild Ideas Worth Living** - Hosted by journalist Shelby Stanger, Wild Ideas Worth Living features conversations with those who share inspirational life-changing ideas from off the beaten track.

Podcast perfection

The right headphones will enable you to fully immerse yourself in new worlds. Sennheiser's latest over and in-ear headphones deliver superior sound and comfort, truly taking you on a journey with your podcast of choice, including:

- **MOMENTUM True Wireless 2** - In-ear wireless earbuds offer a class-leading listening experience with active noise cancellation and stereo-quality sound, including 28 hours of battery life. (RRP £279)

- **HD 450BT** - Closed-back over-ear headphones with incredible wireless sound, active noise cancellation and 30 hours of battery life - enough to last an entire long-haul flight! (RRP £159.99)
