

It's nearly show time...

NIKON-WALKLEY PRESS PHOTOGRAPHY EXHIBITION

We can't show you any pictures yet... because this year's Nikon-Walkley Press Photography nominees aren't announced until October 13. But you can see all of them unveiled right here in Brisbane at the ABC from October 14.

See the biggest stories of the past year through the lenses of Australia's best press photographers.

Heartbreak and triumph, jubilation and devastation: it's all on show at the Nikon-Walkley Press Photography Exhibition, featuring works by Australia's most outstanding photojournalists.

Including categories for news, sport and photographic essays, and prizes for portraiture and community/regional coverage.

Spanning a year of huge stories like the Rio Olympics, a national election and global upheaval, it's bound to be a blockbuster exhibition.

Each year, following the annual Walkley Awards the Nikon-Walkley Press Photography Exhibition hits the road to showcase the outstanding moments in sport, daily life and news reportage. www.walkleys.com
