

JAGUAR & ALEXA: YOUR LIFE CONNECTED

Amazon Alexa is seamlessly integrated with the Pivi Pro infotainment system, bringing intuitive, natural voice control¹ of everything from navigation, media and phone calls, to smart home devices

NAVIGATION

Set destinations and search for nearby locations such as coffee shops - or just say "Alexa, navigate me to home"

MEDIA

Ask Alexa to play music from many streaming services. It works with the embedded Spotify app², combining the simplicity of voice control with the familiar Spotify experience

COMMUNICATE

Make calls and check messages while keeping your hands on the wheel and eyes on the road

LISTS, KNOWLEDGE AND WEATHER

Check the weather, hear the news, set meetings and check your schedule

SMART HOME CONTROL

Control features such as heating and lighting from your Jaguar while you're still on the road³

¹In car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times. Amazon Alexa is available in specific Markets only. Amazon, Alexa, Amazon Music, Audible and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain Alexa functionality is dependent on smart home technology.

²Amazon is always updating the number of media streaming providers that are supported. The following providers have been certified for use: Spotify, Tunes, Deezer, Amazon Music, Audible, Kindle, iHeartRadio and Pandora.

³Additional products and setup required for smart home functionality.

Amazon Alexa set-up requires linking to your Land Rover InControl account by scanning a QR code on the infotainment screen. Amazon Alexa is delivered as part of the Online Pack subscription and will be made available to existing customers through a software-over-the-air update. A 12 month subscription is required. Online Pack is available in connected markets only for S specification packs and above.
