To conclude a highly successful inaugural season, **Marietta Theatre Company** is bringing audiences backstage with a musical about writing musicals with *[title of show]*, running **June 8** through **June 23** at the **Lyric Studio on the Square**. Written by **Hunter Bell** with music and lyrics by **Jeff Bowen**, the Obie Award-winning, internationally acclaimed, one-act musical tributes famous musicals of Broadway's past and the magic of collaboration and determination.

With the submission deadline for an original musical looming, two struggling writers must put their heads together and pens to paper to create a musical that will finally accomplish their dreams of becoming renowned artists. Jeff (**Jeff Cooper**) and Hunter (**Blaine Clotfelter**) enlist the help of their friends, Susan (**Becky Ittner**) and Heidi (**Gina Ann Riggs**), to make a musical with only four mismatched chairs, three weeks, two writers, one keyboard and a lot of creativity. *[title of show]* follows the group of friends throughout the writing and performing process, ultimately revealing their true selves as people, friends and artists.
