## **ABC congratulates 6<sup>th</sup> AACTA Awards nominees for film category**

ABC congratulates their partners in the two feature film nominations for the 6<sup>th</sup> AACTA Awards announced earlier today.

Five nominations were received for *Girl Asleep* and two nominations were received for *Spear*.

These two suites of film category nominations bring the total nominations to 54 in total for the ABC and its partners.

Richard Finlayson, Director of Television said: “*Girl Asleep* and *Spear* were two feature films we were proud to be associated with this past year and we couldn’t be happier for all who worked on these exceptional projects.

“In addition to the 47 nominations in the TV categories, these further seven nominations in the film categories make it an extraordinary tally for the year. It’s a great endorsement of the Australian screen industry at its best.”
