

The Longines Legend Diver Watch Still living up to its name

L3.374.4.40.2

The story of The Longines Legend Diver Watch continues with colourful new models. Its vivid burgundy colour-gradient dial features luminous hands, hour markers interspersed with luminescent squares and Arabic numerals enhanced with Super-LumiNova® rectangles for optimum visibility. A reminder of the codes of the sport for which this watch was originally intended. And just like on the original model, the 36-mm case back is decorated with an embossed emblem of a diver. A fabric strap matches the colour of the dial. This new model houses a self-winding mechanical movement with a silicon balance-spring and comes with a 5-year warranty.

L3.374.4.30.2

The story of The Longines Legend Diver Watch continues with colourful new models. Its sand beige colour-gradient dial features luminous hands, hour markers interspersed with luminescent squares and Arabic numerals enhanced with Super-LumiNova® rectangles for optimum visibility. A reminder of the codes of the sport for which this watch was originally intended. And just like on the original model, the 36-mm case back is decorated with an embossed emblem of a diver. A fabric strap matches the colour of the dial. This new model houses a self-winding mechanical movement with a silicon balance-spring and comes with a 5-year warranty.

L3.374.4.90.2
