

CLINIQUE

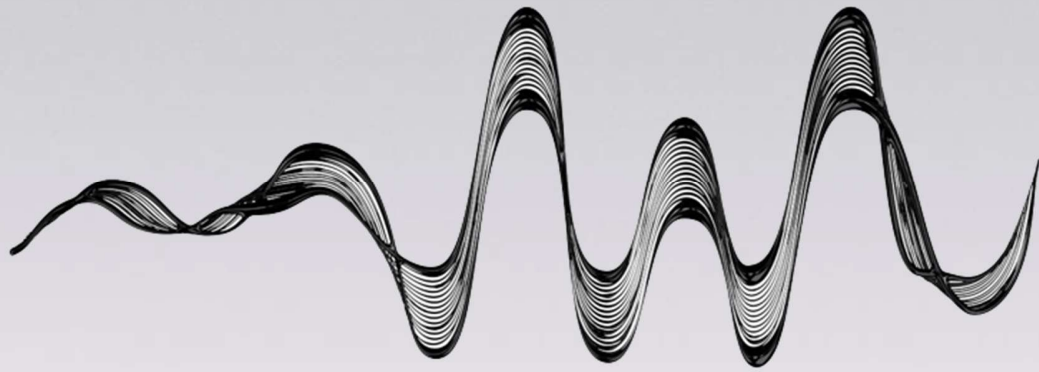

High Impact High-Fi™ Full Volume Mascara

See 230% more volume, instantly, with an ultra-pigmented, fiber-infused mascara that amps up lash volume to the max.*

What It Does

- Our most volumizing mascara for your loudest lash look. High Impact High-Fi™ amps up lashes for 230% more volume, instantly.*
- The lightweight gel formula is full of tiny dimensional fibers that are deposited throughout lashes with every swipe, turning up volume to the max.
- Ultra-intense pigments deliver super saturated color for high impact in one application.
- The innovative High-Def Wave Brush has wavy bristles to comb and coat every last lash, plus a precision tip to easily catch and define small corner lashes.
- Infused with a nourishing oil blend of coconut, argan, and moringa oils to help lashes feel stronger, softer and look healthier.

- Ophthalmologist-tested formula is safe for sensitive eyes and contact lens wearers.
- Available in Intense Black and Intense Black-Brown.

High Performance Results

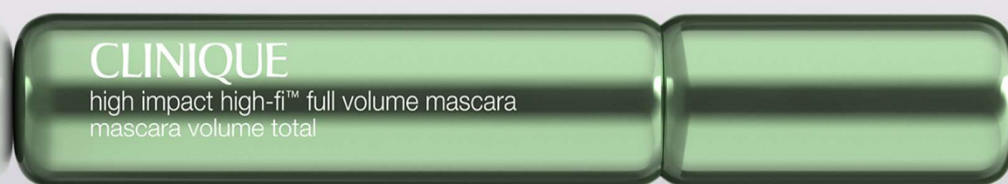

- 230% more volume, instantly.*
- 96% see significant impact after 1 application.**
- 98% say lashes look dramatically darker.**
- 94% say lashes look healthier.**
- 94% say lashes stay stretched and lifted all day.**
- 95% say lashes feel comfortable all day.**

**Clinical testing on 31 women.*

***Consumer testing on 166 women after using product for 1 week.*
