### AS A MOISTURIZER

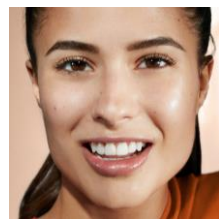

#### USE AS A DAILY GLOW MOISTURIZER

Apply to the face in the morning after serum.

#### USE AS A GLOWING PICK—ME-UP

Need a boost of hydration and glow during the day? Apply mid-day on top of foundation or existing skin care for a boost of moisture and glow.

### AS AN ADDED TINT OF GLOW

#### ADD A TOUCH OF BRONZE RADIANCE

Blend it on the forehead near the hairline, tops of cheekbones and sides of the face. The blend-ability of this product makes application quick, easy and “mistake-proof”.

#### LAYER WITH CHEEK COLOR

Apply first to cheekbones – allow product to dry slightly and then lightly dust Pinch Your Cheeks™ Powder Blush on top. Or apply a dot of GinZing™ Glow-Boosting Moisturizer and a dot of Pinch Your Cheeks™ Gel Blush – use fingertips to blend evenly together and into skin for moisturizing, subtle cheek color.

### THE INGREDIENTS

#### PANAX GINSENG

Panax Ginseng has a 2,000-year history of use in Traditional Chinese Medicine, thought to balance energy and balance body and mind. In this tradition, it is highly revered as a vital treasure to strengthen the body. Ginseng is believed to possess the ability to aid the body in multiple ways (anti-fatigue, immunity, memory). In skincare, GinZing™ helps support skin's natural energy so skin appears more revitalized.

#### CAFFEINE

We use Caffeine from Coffee Beans – first found in Ethiopia and known for its euphoric and energizing effects. Naturally energizing, in GinZing™ this ingredient helps to refresh and recharge the skin.

#### MINERAL PEARLS

A customized combination of crushed mineral pearls to complement all skin tones. The pearly pigments add a kiss of color for lighter skin tones, the beige pearl highlights medium skin tones and the gold pearl gives radiance to darker skin tones.

#### ESSENTIAL OIL BLEND

Grapefruit, Lemon and Spearmint leaves – this essential oil blend leaves you feeling refreshed and uplifted.
