

OPENING SESSION

The inauguration of the first-ever digital EU Sustainable Energy Week will be moderated by **Karen Coleman, an award-winning Irish journalist**. She will be joined by the **European Commissioner for Energy Kadri Simson** and high-level keynote speakers to open the Policy Conference and present the overarching theme 'Beyond the crisis: clean energy for green recovery and growth'.

EU SUSTAINABLE ENERGY AWARDS

Winners will be announced during a live, online Awards Ceremony, chosen from each of the three categories – **Innovation, Youth, and Engagement**. The year's ceremony will also highlight awards for **Women in Energy, the Eastern Partnership Award** and the **Citizens' Award**.

DEBATE WITH AMBASSADORS

An interactive and dynamic exchange, following the Opening Session and Awards Ceremony. The moderator, **Hans van Steen, Acting Director on Renewables, Research and Innovation, Energy Efficiency (DG Energy, European Commission)**, will invite EUSEW Ambassadors to discuss their commitment to, and support for, the European Green Deal and highlight the road to green recovery and growth. The discussion will be followed by a Q&A with the online audience.

								18.00				

EUROPEAN YOUTH ENERGY DAY

Young EU citizens will take centre stage at the first ever European Youth Energy Day to share their vision on how to transform Europe into the first climate-neutral continent. The most innovative and thought-provoking ideas will be presented to **Frans Timmermans, Executive Vice-President for the European Green Deal at the European Commission**.

NETWORKING OPPORTUNITIES

On the EUSEW digital event platform, participants have the opportunity to meet other participants via 1:1 video meetings and share their interests with fellow professionals and enthusiasts alike at the marketplace.

22-26 JUNE 2020

EU SUSTAINABLE ENERGY WEEK

BEYOND THE CRISIS: CLEAN ENERGY FOR GREEN RECOVERY AND GROWTH
