

DEFENDER

DEFENDER 130 OUTBOUND

Luxurious space meets unstoppable capability - the perfect companion for epic adventures.

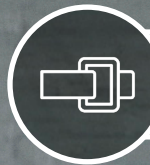

SPACE FOR EVERY ADVENTURE

Designed for clients who enjoy making the most of their leisure time, with five seats, up to **2,516 litres** of loadspace and towing capability of up to **3,000kg**.

UNIQUE EXTERIOR ENHANCEMENTS

Shadow Atlas Matt finish to bumpers and grille, with Anthracite side vents, body-coloured rear signature panels and D-pillar finishers.

PRACTICAL INTERIOR TOUCHES

Durable rubber floor matting protects the bumper, while additional storage areas, lashing points and a new cargo net secure a variety of outdoor equipment.

EFFICIENT INGENIUM POWER

Choice of **P400 petrol**, or **D300 diesel** Ingenium, with Mild Hybrid power, for optimum performance and efficiency.

PEERLESS TERRAIN TECH

Peerless **Terrain Response 2[®]** governs Intelligent All-Wheel Drive, Electronic Air Suspension and Adaptive Dynamics.

READY TO EXPLORE

430mm of suspension articulation enables extreme terrain ability and up to **900mm** of wading.
