

The Vince Lombardi Trophy®

Presented annually by the National Football League® (NFL®) to the Super Bowl® champions.

Tiffany first designed this trophy in 1967 and has handcrafted it ever since.

Crafted from sterling silver, the trophy evokes a regulation-size football.

The trophy weighs 7 pounds and stands 22 inches in height.

The trophy is handcrafted each year at the Tiffany hollowware workshop in Cumberland, Rhode Island.

Artisans employ age-old techniques such as spinning, silversmithing, chasing, hand engraving and polishing to create the trophy over a course of approximately four months for a total of 72 hours of labor.

Since Super Bowl® XXV in 1991, Tiffany has created the Pete Rozelle Trophy, named after the former commissioner and awarded to the Super Bowl® MVP. Tiffany also proudly designs and handcrafts the American Football Conference (AFC) and National Football Conference (NFC) trophies for the NFL®.
