

## CLEAR IMPROVEMENT™ OIL-FREE MOISTURIZER WITH BAMBOO CHARCOAL

Known for its bamboo charcoal-infused, pore purifying products, Origins expands its Clear Improvement™ franchise with the debut of **Clear Improvement™ Oil-Free Moisturizer with Bamboo Charcoal**.

This lightweight moisturizer delivers oil-free hydration as it helps purify pores. Created specifically for those with blemish-prone skin, this oil-free hydrator features 1% Salicylic Acid – to gently exfoliate surface skin cells and unclog congested pores – and also includes “nature’s magnet”, Bamboo Charcoal.

Infused with advanced hydrators – Sodium Hyaluronate, Glycerin and Squalane – to help deliver essential, all-day hydration without pore-clogging oils, this non-acnegenic and dermatologist tested moisturizer leaves the skin refreshed and comfortably hydrated.

### INGREDIENTS:

- 1% Salicylic Acid – a powerful ingredient often used to refine the skin and smooth its surface
- Bamboo Charcoal – referred to as “black diamond” because of its incredibly precious and effective benefits; the bamboo is known to transform into a porous, micro-fine powder
- Witch Hazel – known to have astringent properties
- Essential Oil blend of Rosemary, Wintergreen, Clove and Spearmint – refreshes senses

### ORIGINS RECOMMENDED REGIMEN:

Blemish-prone skin? See a Clear Improvement by incorporating the following Origins recommended “deep detox” regimen into your regular skincare routine:

1. **CLEANSE** – lather up with Checks and Balances™ Frothy Face wash—a small amount cleanses & rebalances skin
2. **MASK** – apply Clear Improvement™ Active Charcoal Mask—use weekly or as needed to draw out impurities from pores
3. **HYDRATE & PURIFY** – massage Clear Improvement™ Oil-Free Moisturizer onto skin—it’s free of pore-clogging oils so you can hydrate with confidence
4. **TREAT** – dab Super Spot Remover™ Blemish Treatment Gel onto existing blemishes—reapply 1-3 times a day

**Available from July 2019**

## **CLEAR IMPROVEMENT™ OIL-FREE MOISTURIZER WITH BAMBOO CHARCOAL FAQ:**

### **Do I need moisturizer if I have oily skin?**

Yes. Oily & blemish-prone skin need hydration as much as any other skin type. Hydration helps natural repair processes & overall skin health. Since our formula is oil-free & non-acnegenic, you can slather with confidence.

### **Will it clog my pores?**

No. It's free of pore-clogging oils & features 1% Salicylic Acid to help unclog & purify pores.

### **Can I use it as a spot treatment?**

For the most targeted zap, we suggest using our Super Spot Remover™ Blemish Treatment Gel—simply apply it after the moisturizer where needed.
