Video Game Development Overnight: InnoGames invites to the 6. Game Jam

Hamburg, March 7, 2014. From March 28th to 30th, the Hamburg based online game developer InnoGames will present its famous Game Jam. For the sixth time, InnoGames teams up beginners and professionals to create a complete new game within 48 hours. Interested parties can sign up by dropping an email to gamejam@innogames.com until March 16th containing a brief introduction. InnoGames will provide lodging and food for the whole weekend; the required hardware will be brought by the participants themselves.

In addition to external guests; developers, graphic designers and game designers working at InnoGames will also be participating and support the 80 expected guests. Concerning the technical platform, there are few rules. The only requirement is that the software used is free and freely available.

To get an impression, InnoGames produced a [video](#) of the last Game Jam.

With more than 120 million registered players, InnoGames is one of the world's leading developers and providers of online games. The Hamburg-based company has scored major successes with games such as [Tribal Wars](#), [Forge of Empires](#) and [Grepolis](#).
