

## Green Week: Investing in our oceans side b-roll

### Shot list

TC IN	TC OUT	DESCRIPTION
00:00:00	00:00:07	Images of a forest, sea, sky with birds
00:00:08	00:00:20	Man speaking in Spanish "I started fishing because my father was a fisherman, I'm following my family's footsteps. I've often been afraid but I think I'm a bit crazy about the sea."
00:00:21	00:00:31	Man speaking in Spanish "Fishing is allowed inside the protected area. But it has to be traditional fishing, with small vessels. It's a sustainable way of fishing."
00:00:32	00:00:45	Man speaking in Spanish "I have great memories of being here with my father because there were many fish, big fish. I wish there were as many fish as before."
00:00:46	00:01:04	Man speaking in Spanish "It's a unique place because it's calm and intense. The quality of water is amazing and it's a place... I do not know, it fills me."
00:01:05	00:01:21	Images of sunset - Packshot Parque Natural de Ses Salines (Spain) - Part of the Natura 2000 Network - with Raúl Colomar Tur, Fisherman Alexander Martín, Fishing guard
00:01:22	00:01:34	Packshot Natura 2000 Logo + European Commission Environment logo
