AN UTTERLY UNIQUE TEXTURE

Huile Prodigieuse® has the amazing ability to nourish and beautify with no greasy finish, thanks to its inimitable dry oil texture that leaves an irresistible satiny finish and allows you to get dressed immediately after application. As gentle as a caress, it is a boost for both skin and mind.

A PRECIOUS COMPOSITION OF 100% BOTANICAL OILS

Reflecting Laboratoire NUXE's unique expertise, the botanical oils at the heart of Huile Prodigieuse® have been selected for their affinity with the skin. Huile Prodigieuse® Néoli is a certified organic delicate alchemy of 2 organic botanical oils (organic Ente Plum Oil and organic Sesame Oil). The other versions of Huile Prodigieuse® contain 7 precious botanical oils: Tsubaki, Argan, Macadamia, Borage, Camellia, Hazelnut, Sweet Almond. Depending on the version, the Huile Prodigieuse® formula therefore contains 97% to 100% natural-origin ingredients.

3 IRRESISTIBLE SCENTS, 3 “INSIDE OUT” BEAUTY RITUALS

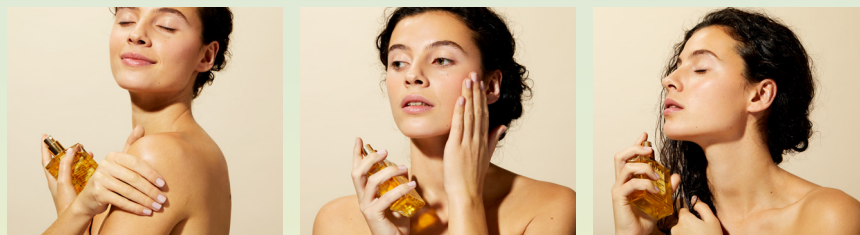

Huile Prodigieuse® feels amazingly pleasant to use thanks to the benefits of its botanical oils and the unique dry touch of its texture, as well as its scents, each more appealing than the next. These scents have the great ability to bring us back in touch with our senses, the power to resonate with our soul and evoke emotions and memories. Each of these products is designed to nourish your glow and adapt to your changing needs to create the happiness of a moment just for you.

SENSUAL RITUAL WITH THE ORIGINAL HUILE PRODIGIEUSE®

The sunny and sensual notes of the original Huile Prodigieuse® are a real boost for the ego. Experience the captivating appeal of its radiant harmony of Orange blossom, Magnolia and Vanilla on an irresistible base of warm sand.

To rediscover your sensuality, trust the power of touch with a luxurious self-massage. Apply the oil to your entire body, using circular movements with flat hands to follow the body's contours. Like slipping on a satin stocking, start by massaging your ankles and then progressively work up towards your chest. Pay special attention to any rough areas of skin to ensure they benefit from the nourishing softness of the oil. Finish by scrunching of the lengths and ends of your hair.

SOOTHING RITUAL WITH HUILE PRODIGIEUSE® NÉROLI

Breathe in serenity with Huile Prodigueuse® Nérolí, a scent that lulls the senses with soothing notes of Neroli, Lavandin and Bergamot.

To let go and unwind, take some time out and relax in a warm bath scented with a few drops of oil. Spray one application of oil in the palms of your hands for a relaxing self-massage of your scalp. Smooth your hair before vigorously rubbing your scalp. Continue with circular movements over the nape of your neck and the back of your head, then a relaxing shoulder massage, kneading the opposite trapezius muscle with your entire hand. Finish with the solar plexus, the seat of our emotions, massaging in small circles while breathing deeply.

JOYFUL RITUAL WITH HUILE PRODIGIEUSE® FLORALE

With its joyful floral notes, its scent immediately brings a smile to your face. Zesty grapefruit in the head evolves into a luminous bouquet of Magnolia and an enveloping base of white Musk.

A morning routine with Huile Prodigieuse® Florale is guaranteed to get your day off to a sunny start. Apply directly to your face or mix one spray with your NUXE face cream in the palm of your hand. Enhance your skin's radiance and relax the muscles around the zygomatic bones by gently pinching your cheeks a few times, then tap softly over this area. Finish with slow and firm smoothing movements using the palms of your hands, working from your chin towards your cheeks, then from the centre of your face towards the outer contours. Your features are relaxed, you're ready to smile.
