

BOBBI BROWN

VITAMIN ENRICHED SKIN TINT

More Beauty. Less Makeup.

NEW Vitamin Enriched Skin Tint SPF 15

Multivitamin-infused moisture meets just right coverage in the newest addition to our Vitamin Enriched Collection. It's makeup that does more, with skin-loving nourishment and natural-looking coverage that blurs imperfections in 18 flexible shades that adapt to a range of skin tones—for more multitasking with less effort. It stays color-true for 12 hours with sheer, just-right coverage that lets your skin shine through. Plus, SPF 15 helps prevent UVA and UVB damage to protect while it perfects. **NEW** Vitamin Enriched Skin Tint SPF 15 is a tint that does more—so you can *be* more.
