

GinZing™ Glow-Boosting Gel Moisturizer

Available as from April 2020

What it is: A lightweight, oil-free energizing moisturizer that gives skin an instant glow.

Sensory Discovery:

- Instantly provides a natural, glowing complexion with a blend of naturally-derived mineral pearls to be universally flattering.
- Helps energize the skin and promote radiant, healthy looking skin through supporting healthy skin function with Caffeine and Panax Ginseng.
- Provides nourishing hydration through a combination of Barley, Wheat, and Olive Extract.
- Refreshes and uplifts the senses with an essential oil blend of: Grapefruit, Lemon and Spearmint.

Ingredient Story:

- Panax Ginseng has a 2,000 year history of use in Traditional Chinese Medicine, thought to balance energy and the balance in body and mind. In this tradition, it is highly revered as a vital treasure to strengthen the body, Ginseng is believed to possess the ability to aid the body in multiple ways (anti-fatigue, immunity, memory). In skincare, GinZing™ helps support skin's natural energy so skin appears more revitalized.
- Caffeine (from coffee beans) was first found in Ethiopia and is known for its euphoric and energizing effects. Naturally energizing, it helps to visibly refresh and recharge skin.

For: Universally Flattering Shade for all skin tones. Best for combination to oily skin types.

How to use: Following serum, apply to skin in morning or before a night out as a daily moisturizer, or as needed during the day as an instant skin refresher.
