The woman, on the right, is wearing a strapless, light-colored dress and looking up at him. A trail of golden, star-like lights curves around the man, suggesting a magical or dreamlike atmosphere. The background is dark with some foliage and flowers.

Discover the world of Cologne Intense

A collection of alluring, powerful scents inspired by faraway lands, captivating rituals and treasured ingredients. A spirit of discovery ignites the mysterious and sensual world of Cologne Intense.

The collection looks to the rich and rare as the starting point for nine distinctive fragrances, alongside body crèmes, candles, diffusers and more, allowing customers to enrich their everyday with sumptuous scent.

‘Most of the scents we create find inspiration in British landscapes, traditions and ingredients, but with Cologne Intense, we allow ourselves to find inspiration from further afield. Cologne Intense fragrances offer warmth, depth and volume, but still retain the clarity and naturality that Jo Malone London is known for’
Céline Roux, Global Head of Fragrance
