### **Jingle All the Way! InnoGames TV Kicks off the Winter with a New Episode**

**Hamburg, November 28, 2014.** [InnoGames](#) invites players to celebrate the winter season with the release of the [December episode](#) of InnoGames TV today. The latest installment of the monthly series informs viewers of the latest news on the company's games, app releases and events with a quirky sense of humor.

In this episode, InnoGames announces the release of the [Android App](#) for [Tribal Wars 2](#) and the release of a brand new game: [Elvenar](#). The episode unveils the game and introduces key members of the Elvenar team. [Forge of Empires](#) and [Grepolis](#) share the holiday cheer with winter events for each game. While Tobias from the [Tribal Wars](#) team shows viewers their newest game page. Last but not least, InnoGames TV finishes it off with a new video featuring the most recent Game Jam.

Through their monthly video podcast, InnoGames provides the community with the latest news about its games, as well as a behind-the-scenes look at the daily work of a modern game developer. While the host of the 16-minute long video speaks in English, six languages are available via subtitles on YouTube.

With about 130 million registered players, InnoGames is one of the world's leading developers and providers of online games. Currently, the Hamburg-based company employs 350 professionals from 25 nations. InnoGames has scored major success with games such as [Tribal Wars](#), [Grepolis](#) and [Forge of Empires](#).
