### Participating States:

Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands

### Situation on North and Middle Caicos:

Transport mechanism for supply chain is disrupted

Less than 20% of damage to housing stock

Government facilities impacted

Schools impacted

### REGIONAL RESPONSE ACTIONS:

#### CDEMA Coordinating Unit

- High Level mission to the impacted States scheduled for tomorrow, September 12, 2017 by the Ambassador Irwin LaRocque, Secretary General and Chief Executive Officer of CARICOM, Dr. Hon. Keith Mitchell, current Chair of CARICOM and Prime Minister of Grenada and Mr. Ronald Jackson, Executive Director of CDEMA
- CARICOM Disaster Relief Unit (CDRU) team from Jamaica arrived in Antigua today, September 11, 2017 for onward deployment to BVI tomorrow September 12, 2017
- Rapid Needs Assessment Team (RNAT) was deployed from Jamaica to the TCI today September 11, 2017
- CARICOM Disaster Assessment and Coordination (CDAC) team, was deployed today September 11, 2017 to Anguilla
- CDEMA met with the CARICOM Office of Trade Negotiations (OTN) to examine options for the extraction of CARICOM nationals from impacted States and considered arrangements for communication on both the extraction process and ways to improve the coordination of relief supplies through the National Disaster Management systems
- Five (5) tons of relief supplies from Antigua were delivered to the Jost Van Dyke island of the BVI today with the support of the CDRU
- The 7th meeting of the RRM Partners was convened today, Monday, September 11, 2017 at 1:21pm at the CDEMA Coordinating Unit. The meeting was chaired by CDEMA's Executive Director. Approximately twenty seven (27) participants from regional and international donor, humanitarian and development agencies were represented

#### Participating States:

Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands

### **Caribbean Development Bank (CDB)**

- The Immediate Response Loans (IRL) facility of US\$750,000 to assist with debris clean up has been offered to the affected countries and currently processing for Antigua and Barbuda
- CDB has approved a grant of US\$150,000 to the CDEMA Coordination Unit to assist with damage assessment in the affected countries
- Emergency Relief Grant of US\$200,000 is being processed for Antigua and Barbuda; ERG grant has been offered to the remaining impacted states

### **LIAT:**

- LIAT continues to support CDEMA's effort to respond to the humanitarian needs of the people in the impacted countries. They facilitated the transportation of response teams from Saint Lucia, Guyana and Trinidad to Barbados and from St. Kitts to Antigua today September 11, 2017.

### **Office of Disaster Preparedness and Emergency Management (ODPEM), Jamaica**

- They are moving a twelve (12) person team out of Jamaica today at 1700 hours to TCI. The team includes 3 Engineers, 3 NEPA professionals, 1 Coastal Specialist, 2 water and sanitation specialists and 1 media professional. Discussions will continue on the inclusion of a camera person on the team

### **Organization of Eastern Caribbean States (OECS):**

- Cruise ships Norwegian Sky and Royal Caribbean Majesty will be available Tuesday, September 12 for evacuation/transfer of people from West Indian Company (Havensite Mall) Dock, St. Thomas, to Puerto Rico and to Miami
- These ships can support the transfer of people from the British Virgin Islands to get to Havensite Dock, St. Thomas. Estimated time of arrival (ETA) alongside: Norwegian Sky 0600; Royal Caribbean Majesty 1830-2030
- Two vessels will be available to support evacuation from St. Thomas and BVI

### **Regional Security System (RSS)**

- Military personnel have been deployed to the BVI and the security situation is being brought under control
- RSS is facilitating the extraction of non-nationals from St. Martin.
- Transported five (5) CDEMA response personnel from Barbados and two (2) from Antigua to Anguilla (September 11, 2017)

### **University of the West Indies (UWI)**

#### **Participating States:**

**Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands**

- UWI is coordinating the creation of a roster of specialists to respond to the Needs Assessments coming out of the Rapid mobilization teams. Upon completion of the initial Rapid Needs Assessments, UWI will provide a roster of specialists that can be used to support the affected countries in the short and longer term.

### **INTERNATIONAL INSTITUTIONS UPDATES:**

#### **Global Affairs Canada (GAC)**

- The Government of Canada advised that they have pledged two hundred and fifty thousand dollars (\$250,000) through PAHO
- CDAT has sent a five member team into Antigua accompanied by the HC to undertake an assessment to determine if a full team would be required
- An additional \$200,000 is to be made available directly to Antigua to support their relief efforts
- Ship HMDS St. Johns is to be deployed to the region. Capabilities include helicopter and water supplies
- In terms of evacuations, there are still a number of Canadians in all affected areas. Work is ongoing to complete extraction

#### **European Civil Protection and Humanitarian Aid Operations (ECHO):**

- 2 million Euros assigned to support response efforts in the entire Caribbean region through ECHO partners
- 1 staff member deployed to Antigua
- 1 staff member deployed to Turks and Caicos Islands
- 1 staff member to be deployed to Cuba

#### **International Federation of Red Cross and Red Crescent Societies (IFRC)**

- The team is in communication with the Red Cross overseas affected territories and standing ready to deploy emergency response units
- Some national Red Cross societies have been coordinating delivery of items directly while in the Bahamas, the national office there is undertaking assessments. Further updates should be available on the evening of 11 September

#### **Participating States:**

**Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands**

- Both soft and hard pledges are coming in from the joint emergency appeal launched this weekend. Antigua Red Cross has also launched a joint appeal. Details will be shared with the partners
- Regional Intervention specialist has been deployed to Antigua

#### **International Organisation for Migration (IOM)**

- Team of six (6) people deployed in the region; 1 expert in shelter management, displacement tracking and shelter NFI. Two (2) arriving tomorrow; one (1) shelter management and gender-based violence risk reduction and 1 displacement tracking. Both to move onwards to other islands as identified with CDEMA and UNDAC/OCHA. One (1) shelter management specialist arrived in Antigua today (September 11, 2017)
- A Panama-based expert in CCCM (shelter management) and one (1) in displacement expert tracking will move onwards to other islands as identified with CDEMA and UNDAC/OCHA

#### **MapAction**

- MapAction have sent five (5) highly skilled GIS specialists to the region with significant experience in disaster mapping and response to support CDEMA together with the UNDAC team to respond to affected population

#### **Pan American Health Organisation (PAHO)**

- Four (4) experts (assessment, electrical engineer, logistician and water and sanitation) were deployed with the CDEMA RNAT to the British Virgin Islands, presently conducting assessments, supporting recovery services in the hospital and enhancing logistics capacity
- Two (2) experts deployed to Antigua and Barbuda
- Preliminary assessment of hospital/health center in Barbuda carried out; detailed assessment being undertaken today, September 11, 2017
- Two (2) experts were deployed to St. Martin on 10<sup>th</sup> September to conduct assessments
- Staff pre-deployed to The Bahamas and to the Turks and Caicos Islands, currently carrying out needs assessments for health sector.
- Coordination with Anguilla, Antigua and Barbuda and the British Virgin Islands and supporting immediate needs, which include the provision of critical medicines and other medical supplies that were destroyed.
- PAHO is coordinating with Ministries of Health in Jamaica and Trinidad & Tobago to get immediate loans/donation of critical medicines and supplies for the British Virgin Islands. These are expected to leave these countries en route to the British Virgin Islands tomorrow, 12<sup>th</sup> September
- On request of the Chief Medical Officer of Antigua and Barbuda, PAHO is coordinating with the Ministry of Health in Barbados to deploy a team of four (4) mental health professionals and four

#### **Participating States:**

**Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands**

(4) environmental health officers to travel to Antigua for 7-10 day deployments during this week.

- One (1) expert deployed to Anguilla on the 11 September for rapid assessment and coordination
- Emergency Declaration and Standard Emergency Procedures activated, together with Regional Emergency Response Team. Funds made available for the immediate response (deployments, coordination, assessments, logistics, etc.)
- Staff based in Anguilla and Antigua and Barbuda are performing need assessments
- In Anguilla, the health center has been assessed
- Specialists (architect and electrical engineer) have carried out assessments of health facilities in Tortola Island in the British Virgin Islands
- Health personnel are coordinating the health response in the British Virgin Islands in Tortola Island to support the government
- Engineer coordination of medical supplies, assisting with the reception of medical supplies and supporting with logistics in the British Virgin Islands in Tortola Island
- In St. Martin carrying out assessments of health facilities and coordination of human resources and supplies

#### **Salvation Army**

- Assessing situation in TCI, Bahamas

#### **United States Aid for International Development – Office of US Foreign Disaster Assistance (USAID/OFDA)**

- Relief flight is heading to Antigua
- There is to be a higher level discussion on support to both sides of St. Martin through the Red Cross as well as military to military discussions
- Five members are in Antigua getting ready to deploy as needed

#### **UNITED NATIONS (UN) AGENCIES**

##### **Food and Agriculture Organization (FAO)**

- Closely liaising with the Ministry of Agriculture Lands, Housing and the Environment in Barbuda and Antigua in order to understand the impact caused by Hurricane Irma on the agriculture sector and its sub-sectors (crop, livestock and fishery)

#### **Participating States:**

**Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands**

- Emergency and disaster risk management specialists are on stand-by and awaiting an official request from the Ministry of Agriculture Lands, Housing and the Environment in Barbuda and Antigua to conduct in-depth agricultural needs assessments

#### **United Nations Development Programme (UNDP)**

- Experts on debris/waste management, emergency employment and cash for work, livelihoods revitalization, core government functions and post disaster needs assessments are on stand-by and ready to be deployed
- Specialists are on stand-by to accompany governments and relevant partners in needs assessments and early recovery planning
- Ready to support national efforts on damage and needs assessments as well as develop early recovery frameworks
- Allocated US\$300,000 from its core resources to support assessments, coordination and elaboration of recovery frameworks in affected countries
- US\$25,000 already allocated and approved for Antigua and Barbuda
- GDACS Satellite Mapping Coordination System has also been activated to ensure coordination between operational entities, typically Copernicus and UNOSAT

#### **United Nations Population Fund (UNFPA)**

- Collaborating with UN Women and the Directorate of Gender Affairs, Antigua and Barbuda, in distributing dignity/hygiene kits, especially to affected women and girls
- Can provide commodities, including reproductive health kits. Also can provide technical guidance and will have available additional surge capacity available to focus on prevention and response to gender-based violence including sexual violence, sexual reproductive health priorities and psychosocial support

#### **United Nations Children Fund (UNICEF)**

- Supplies have been sent to TCI and are in transit. Included in the supplies are water, storage containers etc.
- Requests coming in are for psychosocial support for children. This should start day after tomorrow (September 12) for Barbuda and another request was received last night from TCI
- They are working on assumption that Tarpaulin supplies for Anguilla and BVI are not needed but are mobilizing support just in case

#### **United Nations Disaster Assessment and Coordination (UNDAC)**

- They are working with CDEMA team to look at information flows

#### **Participating States:**

Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands

Resilience Way, Lower Estate, St. Michael

**United Nations Office for Project Services (UNOPS)**

- Two (2) engineers are on stand-by to assist with infrastructure condition assessments. Assessment software/training is also available.

**UNWOMEN**

- Lift was secured for one person to head to Antigua. They are looking to support shelter and guidance and another member of staff should arrive on Wednesday.
- Discussions continue with UNFPA for assembly in Barbados.
- In coordination with CDEMA, the UN Women MCO Deputy Representative was deployed to Antigua on September 11 in response to the Antigua Directorate of Gender Affairs' request for support in shelter management in respect of the safety and security of women and girls.
- UN Women emergency electronic cash transfer to Antigua on Friday September 8, ensured the assembling of 300 dignity kits which contain women-specific items. These were assembled and distributed by the Department of Gender Affairs staff at two of the main shelters.
- Supporting a cash-for-work program for women with local procurement in respect of assembling the dignity kits. The Deputy Representative will coordinate the logistics of this activity.
- Together with CDEMA and the Regional Security System (RSS) will deploy gender and humanitarian specialists to the Turks and Caicos Island and the British Virgin Islands, one of whom should arrive in Barbados on September 12.

CDEMA continues to monitor the system and provide updates as necessary.

**CONTACT DETAILS: The CDEMA CU 24-hour contact number 1(246) 434-4880**

**NEEDS LIST AS AT SEPTEMBER 11, 2017**

**ANGUILLA**

**Needs:**

- Requested assistance for rapid needs assessment

Quantity	Category	Item
	10,000	Water cases
	200	Taupaulin

## BARBUDA

### ***Critical Needs:***

#### **Immediate**

- Immediate shelter according to good practice in Antigua
- Places in schools for the kids on Antigua, school kits
- Access to healthcare on Antigua
- Telecom support to get electricity back on Barbuda

#### **Medium to long-term (development):**

- Re-construction: Building material for new houses
- Credit from the bank to start over again
- Equipment to clean the island
- Equipment for schools and hospitals
- Health kits, dignity kits, seeds, agricultural goods, etc.

## BRITISH VIRGIN ISLANDS

### ***Needs:***

- sat phones
- EMT kits
- chain saws
- generators
- hand tools
- wheel barrows
- cots
- tarps
- plywood
- flashlights
- batteries
- fuel pump
- water jugs
- water purification tablets
- towels
- blankets
- baby food and formula
- diapers

#### **Participating States:**

Anguilla, Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and Grenadines, Suriname, Trinidad and Tobago, Turks and Caicos Islands, Virgin Islands

- adult diapers
- laptops
- printers
- cots
- repeat antennae
- mobile repeaters
