The Tea Experience at Fauchon L'Hotel Paris

Fauchon L'Hotel Paris takes its tea experience incredibly seriously. The FAUCHON brand is known for creating the world's first fruit-infused teas and they pay homage to tea in a variety of ways including through many cocktails made with tea, iced teas, and its own Afternoon Tea experience.

At Fauchon, forget everything you know about Tea Time and let yourself be carried away in a magical moment of generosity and pleasure. Under the glass roof of the Jardin des Thés, a place of intimacy and comfort, Tea Time is an opportunity to travel to the heart of gourmandise and to dive into the universe of our famous House FAUCHON. Tea time happens daily from 3 to 6 pm with reservations.

The Tea Time of Fauchon L'Hôtel Paris is nestled like a gourmet secret in delightful lacquered boxes, and is available in small savory and sweet bites that change with the seasons: Chiffonnade de Jambon Noir de Gascon, Gambas-Mangue skewers, Club Fauchon, Blinis Saumon fumé d'Isigny, Cheesecake Coco-Mangue-Passion, Dômes Pomme-Cardamone, Dômes Gianduja-Banane, Choux Café-Sésame, Salade de fruits de saison and the Macaron of the day.

To accompany these delights, Tea Time offers a fruit juice and a hot drink to choose from the 52 tea references of our House Fauchon, enough to satisfy lovers of the divine beverage. A glass of Fauchon Champagne is included in the second formula.

At Grand Café Fauchon, everything starts with a Macaroon, to be accompanied by a fresh seasonal fruit juice & FAUCHON Tea. Extend this gourmet pleasure with our assortment of salty and sweet FAUCHON pieces and finish with a sweet dessert signed FAUCHON. Add a touch of your afternoon tea with the inclusion of Champagne.

There are also special green teas and herbal teas plus a range ideally suited for signature Fauchon products, such as Chocolate Eclairs, Happiness or Madeleine tea.

And just next door to the hotel is Fauchon's own Thé & Infusion shop. With an incredible array of teas and infusions, customers can enjoy all things tea as well as create a bespoke tea for themselves which is a very appealing and personalized offering. In fact, their own tea blend can be packaged and served at the hotel for Afternoon Tea.
