## Introducing The Summer Glow Collection

Available as from May 2020

### *Glow Beyond*

Get ready for the endless possibilities of summer with the new Summer Glow Collection. From a golden highlighter to shimmery shadows, this collection is perfect for creating the carefree sun-kissed look of the season.

The limited-edition Summer Glow Collection includes:

### Bronzing duo

Create a just-back-from-vacation glow with this matte and shimmery bronzing duo, in a go-anywhere compact.

### Highlighting powder

Our bestselling highlighter in limited-edition Warm Gold leaves skin with a high-impact, ultra-flattering sheen.

## Precise Blending Brush

Get your best glow with this curved brush designed to hug the contours of your face.

## Crushed-oil infused gloss

Lip-quenching moisture meets super-smooth shine in this lip gloss with nutrient-rich botanical oils, now in summery shades designed to complement a sun-warmed complexion.

## Long-Wear Cream Shadow Stick

Get soft shimmer to smoldering eyes that will last with this long-wear, swipe-and-go shadow.
