

CENTRAL HALL, BOOTH NO. C1307  
APRIL 9 TO 12, 2018

## Visit Sennheiser and Neumann at NAB 2018 in Las Vegas

Explore the complete media and broadcast range of Sennheiser and Neumann – from studio microphones and wireless technology to monitors and broadcast headsets.

What's new? The portable wireless systems of the new evolution wireless G4 series will be presented alongside the acclaimed analog/digital EK 6042 camera receiver. New headset and lavalier microphones will be displayed, as will a brand-new series of broadcast headsets. The booth also showcases our AMBEO range of products for VR and AR productions, and the re-issue of the Neumann U 67 tube microphone. Additionally, we will have on display an exciting new wireless solution for recording high-quality audio on mobile devices. Visit the booth to learn more.

Stop by booth C1307 during NAB, or get in touch prior to the show to schedule a press meeting with a Sennheiser representative. All press materials will be available at [www.sennheiser.com/nab2018](http://www.sennheiser.com/nab2018) from 9 April.

We are very much looking forward to seeing you in Las Vegas.
