As the summer season approaches, the air becomes infused with the promise of sun-kissed adventures and balmy evenings. Embracing the essence of this vibrant season, 4 of The Estée Lauder Companies' brands are proud to unveil a collection of captivating fragrances designed to evoke the spirit of summer.

Step into the embrace of endless golden days with **Bronze Goddess** by **Estée Lauder**. Inspired by the warmth of the sun and the gentle caress of a summer breeze, this enchanting fragrance celebrates the radiant spirit of every woman. With notes of sun-drenched citrus, delicate jasmine, and vanilla, Bronze Goddess captures the blissful sensation of basking in the glow of summer. **Tom Ford** presents **Vanilla Sex**, a bold interpretation of vanilla that ignites passion and desire. With a provocative blend of spicy saffron, creamy Madagascar vanilla, roasted coffee, and sweet tonka bean, this fragrance offers an intoxicating elixir that invites to indulge in the decadence of pure luxury. In contrast, **Vanille Fatal** by **Tom Ford** is a darker, more mysterious take on vanilla. Rich layers of bitter almond, warm leather, and smoky tobacco envelop the senses in a sultry embrace, that is impossible to resist. **Sunkissed Goddess** by **Killian** encapsulates a hot summer day, with a luxurious halo of warm sunlight and fresh narcotic florals. The ultimate sensory emersion and summer evasion all at once.

Whether worn for a leisurely stroll along the beach, a romantic evening out, or an intimate encounter, these fragrances are sure to leave a lasting impression.
