Be our Valentine! InnoGames TV Gives Key to Elvenar Closed Beta

Hamburg, January 30, 2014. With Valentine's Day around the corner, [InnoGames](#) has just published a new edition of InnoGames TV today. The [February episode](#) gives players the latest updates on their favorite games, upcoming events while giving a behind the scenes look at the company. This month, InnoGames has also hidden a beta key to their newest game, [Elvenar](#) somewhere in the video.

The episode starts off with two announcements from Elvenar. One is a new video on their cultural buildings and the second is a multi-use beta key hidden in the episode. Attentive viewers can directly drag and start playing the game once they find it. In addition, [Tribal Wars 2](#) Lead Community Manager David, reveals some basic information about the game's battle system. While, [Forge of Empires](#) and [The West](#) keep it festive with their valentine events. Yet, they aren't the only ones as [Grepolis'](#) Lead Community Manager, Jordan, introduces the "Battle for Troy" event. Last but not least, [Tribal Wars](#) fans can get the latest information on their 2015 roadmap from the new game designer Anwar.

Through their monthly video podcast, InnoGames provides the community with the latest news about its games. While the host of the 20-minute long video speaks in English, six languages are available via subtitles on YouTube.

With about 150 million registered players, InnoGames is one of the world's leading developers and providers of online games. Currently, the Hamburg-based company employs over 350 professionals from 30 nations. InnoGames has scored major success with games such as [Tribal Wars](#), [Grepolis](#) and [Forge of Empires](#).
