**The ABC iview hit returns with a special show for Christmas
*Sammy J's Playground Politics – Tis the Season to be Pollie***

After capturing the nation's hearts and Facebook accounts during the 2016 Federal election campaign, Sammy J, the self-proclaimed political tragic, returns with his latest installment of *Sammy J's Playground Politics – Tis The Season To Be Pollie*.

It's Christmas time in Canberra. Malcolm, Bill and all their friends have stuffed their stockings and our economy for another year, but who's made it on Santa's naughty or nice list? It's time to deck the parliamentary halls with boughs of pollie, as Sammy J shares the Christmas spirit with the children of Australia, through carols, candy canes and taxpayer funded carrots for Rudolph. There's never been a more exciting time to find out what our pollies are getting for Christmas!

**5pm Monday 19 December on ABC iview
9pm Wednesday 21 December on ABC TV
10.50pm Wednesday 21 December on ABC2
10.30pm Thursday 22 December on ABC2**
