Blue Book 2022

Fall Lookbook

Tiffany

BOTANICA: Blue Book 2022 honors the timeless beauty of flora. Revisiting botanical motifs from Tiffany's heritage, everything from orchid brooches to Louis Comfort Tiffany's dandelion hair ornaments and wisteria lampshades re-emerge as innovative and transformable jewels. Jean Schlumberger's floral themes are handcrafted with unexpected gemstone combinations.

Our extraordinary savoir faire shines as we tame rebellious blooms and reinterpret them as breathtaking contemporary designs. A mesmerizing garden emerges:
