

Limited-time offer on Sennheiser Evolution Wireless EW-D line

Promotion will run from Monday, September 16th to Thursday, October 31st

Wedemark, 16 September 2024 – As the digital successor to Sennheiser’s acclaimed analogue G4 series, Evolution Wireless Digital EW-D has gained worldwide recognition for its crystal-clear audio quality, reliable UHF performance, and ease of operation via the Smart Assist App. Starting Monday, September 16th, and available through the end of October, Sennheiser will run a limited-time promotion on selected EW-D sets.

“At Sennheiser, we’re committed to delivering high-quality audio solutions, but also dedicated to making our products logical and easy to use,” says Jimmy Landry, Sennheiser’s Global Category Market Manager, Pro Audio MI. “With EW-D and the Smart Assist app, setting up a wireless microphone system is simple and automated—no wireless expertise required.”

The promotion includes the following EW-D sets:

MODEL	Standard MSRP (EUR)	Promotional MSRP (EUR)
EW-D 835-S SET	699 €	599 €
EW-D ME2 SET	699 €	599 €
EW-D ME3 SET	749 €	649 €

EW-D ME4 SET	699 €	599 €
EW-D CI1 SET	629 €	529 €
EW-D ME2/835-S SET	999 €	899 €
EW-D SK BASE SET	599 €	499 €
EW-D SKM BASE SET	599 €	499 €

Now is the time to upgrade to EW-D's digital simplicity and clarity

EW-D, part of the Evolution Wireless Digital family, is the successor and a definitive upgrade from analogue G4 systems. Building upon the renowned reliability and sound quality of Sennheiser's technological advancements and expertise, EW-D delivers numerous enhancements over G4 systems, such as a simplified app-assisted setup process with the Smart Assist App, reliable UHF connection with equidistant frequency spacing, higher audio resolution and an increased input dynamic range of 134 dB. For a limited time, take advantage of this promotion to get the wireless system you always wanted. Visit your Sennheiser dealer for more information.

About the Sennheiser brand

We live and breathe audio. We are driven by the passion to create audio solutions that make a difference. Building the future of audio and bringing remarkable sound experiences to our customers – this is what the Sennheiser brand has represented for more than 75 years. While professional audio solutions such as microphones, meeting solutions, streaming technologies and monitoring systems are part of the business of Sennheiser electronic GmbH & Co. KG, the business with consumer devices such as headphones, soundbars and speech-enhanced hearables is operated by Sonova Holding AG under the license of Sennheiser.
