

Huile Fondamentale

Regenerating and protecting botanical treatment body and hair

BODY/HAIR

Stage	Treatment	
Category	Oils	
Skin Instants®	Very dry and damaged	
Available formats	Retail 100ml	Professional 500 ml

Huile Fondamentale combines 6 pure botanical oils known for their antioxidant, moisturizing and regenerative properties. Concentrated in essential fatty acids, it preserves the balance of cutaneous lipids, restores skin quality and strengthens dry and brittle hair.

It leaves a subtle fragrance thanks to a combination of patchouli and amyris bark essential oils suitable even for pregnant women. With a non-sticky finish, skin is intensely nourished and hair regains its shine, suppleness and softness.
