Jo Malone London celebrates the rose with limited-edition releases

An iconic fragrance note that has captivated throughout the centuries, the rose is the star of Jo Malone London's latest collection. From light and fresh to deep and decadent, discover different dimensions of the beautiful bloom.

Jo Malone London's revered roses include:

Red Roses

The essence of modern romance. With violet leaves and a hint of lemon, it unfolds like a bouquet of freshly cut garden roses.

Rose Blush

Delicate rose petals suspended in a delectable jelly. The charm of these blushing pink petals inspires a prized preserve, prepared for the great British summer fete. Vibrant basil and a juicy note of lychee add a modern twist to this soft floral scent, cocooned in the embrace of white musk.
