

WEBINAR SERIES:

COVID-19 MEDICAL TOOLS & LOCAL PRODUCTION IN AFRICA

HOSTED BY DOCTORS WITHOUT BORDERS/ MSF SOUTHERN AFRICA

VACCINES

Friday, 05 November

9am Senegal • 11am South Africa • 12pm Nairobi

Join us for the second of our 3-part webinar series as we discuss COVID vaccine manufacturing in Africa. As well as a presentation by Sothema, who are manufacturing the Sinopharm jab in Morocco, we will hear about Senegal's plans to scale up production, the mRNA hub in South Africa and why Moderna and Pfizer should share their mRNA technology with Africa's injectable medicines manufacturers.
