Longines Spirit Zulu Time

L3.802.4.93.6

With the launch in 2022 of the Longines Spirit Zulu Time, the winged hourglass brand added a new chapter to its already rich history. Featuring multiple time zones, it marked a continuation of Longines' precision instruments worn by the world's greatest pioneers on their legendary exploits. That modern legend is now complemented with the addition of the Longines Spirit Zulu Time in an ergonomically-pleasing and stylish 39mm case.

This model features a bezel enhanced with a blue ceramic insert, and is available on a sunray blue dial, with a date window centred at the 6 o'clock position. The 39 mm steel case has an elegant interchangeable stainless steel bracelet.
