

## **Salone del Mobile 2021, 5–10 September**

On the occasion of Salone del Mobile, we invite you to our newly designed showroom spaces to explore our new collections.

### **Corso Monforte 15**

The redesigned showroom by Alfredo Häberli will feature our new textile and rug collection by Peter Saville, *Technicolour*. A craft-orientated, sculptural collection that visually and haptically translates the industrial processes in textile production.

### **Kvadrat's high-end residential showroom**

Our residential space by Vincent Van Duysen Architects, will host Kvadrat's new residential curtain collection, *Storylines*. A collection that explores intervals between texture, pattern and colour.
