

Tilda Basmati Rice

The Steamed Convenience Range

Some Serving Suggestions for a Quick 'n Tasty Meal.

It happens so often: only half an hour for lunch or dinner before you have to move on to your next appointment. The Tilda Steamed Convenience Range is your companion of choice here: Adding some leftovers from the night before, or some ingredients that happen to be lingering in your fridge, you can sit down and eat in less than 15 minutes.

Here are some serving suggestions as developed by chef Krikke Festiens from Loes & Krikke Catering:

Pilau

Simmered onion, eggplant tomato sauce with basilic.

Lime and Coriander

Garlic, shii-takes, broccoli, sesame (seeds and oil).

Pure Basmati

The ideal companion for all kinds of curries.

Coconut, Chilli and Lemongrass

Green beans with fried chicken, spring onions and coriander - if available, add some soy sauce or Thai fish sauce.

Chilli and Lime

Mexican breakfast/lunch with bacon, eggs and avocado - maybe add some tabasco for spiciness.

Quinoa and Garden Vegetables

Perfect to use with various stews, some leftover bolognaise sauce or ratatouille. Can also be added to a soup to make it a full meal.
